## Why Should I Go?

The worldwide popularity of sports provides an excellent way to combine sport with the adventure of foreign travel. The common denominator of sports often results in a fellowship between tourists and natives that regular travelers cannot easily achieve. Shared travel experiences can also enhance the bond between fellow boosters in support of their team. Stories about the group's travel adventures will be shared and enjoyed throughout the upcoming season and beyond.

## BTI Events Who?

Established in 1985, BTI Events is a company comprised of former athletes who seek to serve the needs of the worldwide athletics community.

Over 2,000 teams have participated in BTI Events tours and events, which include tournaments and foreign tours for universities and holiday high school sports tournaments. The Staff at BTI Events is committed to providing our tour guests with the highest quality product available – an overseas tour experience that is unrivaled in service, quality, and attention to detail.
